

Read, Write Inc. Phonics for Nursery Training
Friday 11th September 2019
Elmhurst Primary School, Forest Gate E7 8JY
9.00am - 3.30pm

Transform your teaching of early reading and writing

RWI Phonics for Nursery shows you how to grow children's vocabulary through role-play, discussion, building sentences and using productive questioning. It places huge emphasis on developing children's love of reading through enticing story and poetry times.

In the last term of Nursery, children are taught to say the sounds of letters with the help of mnemonics, to blend the sounds into words and read simple 'blending books'. This gives them a flying start before going into the Reception class.

Our dynamic trainers demonstrate activities one step at a time, using footage of real lessons. They help you practise and prepare before teaching and use management strategies to engage children and speed up progress.

Read Write Inc. Phonics for Nursery is a full-day of training for all nursery staff in schools, day or private nurseries and playgroups.

How to book
