

The London North East Maths Hub's Maths Teacher of the Year Award – 2019/20

The London North East Maths Hub is excited to announce our third **Maths Teacher of the Year** award ceremony. We think maths teachers are very special and in order to honour our teachers and celebrate excellence in teaching Mathematics across our seven boroughs, we are now seeking your nominations.

We would like early years settings, primary schools, secondary schools, sixth forms and colleges to nominate one or two outstanding teachers who have gone the extra mile as well as Heads of Department or Maths Coordinators who have made significant and sustained improvements in student outcomes. Maths leaders should have been in post for at least 2 years and be able to demonstrate a strong track record in terms of improving standards of teaching and learning in mathematics.

We are seeking nominations from schools and colleges in our region: **Barking & Dagenham, Newham, Redbridge, Tower Hamlets, Waltham Forest, Hackney and Havering** for Maths Teachers and/or Maths Leads for the following categories:

- *Early Years*
- *Primary*
- *Secondary*
- *Post-16*
- *SEND*

Please submit your nomination via our online nomination form no later than 10th November 2019.
